

# Sand Bag Filler (SBF)

*Fills over 5 times more sand bags per man hours.*

\* It's wide mouth twin hopper system allows one person to fill two bags at once.

OR

\* The unique slide mechanism allows two people to fill sandbags continuously.

You can therefore fill than three times more quickly in an emergency.

In trials conducted by the British Army, the number of sand bags filled were as follows:

## Sand bag Fill Rate

Without S.B.F.	92 per hour
With S.B.F.	480 per hour

**More bags for less brawn.**

Widespread flooding occurred through out Europe and the United Kingdom 2007. Some areas received a month's worth of rain in just 24 hours. Forecasters predict we are all going to have wetter winters ahead
